THE MULTI-FUNCTIONAL LINEAR LIGHTING PRODUCT

**Z** ZLED<sup>™</sup>  
LIGHTING  
ZLED-LIGHTING.COM

**ZLEDLIGHTING'S ECOSTRIPS** are the perfect solution for retrofit and many additional applications. The ease of installation, seamless connections and lower cost makes it ideal for applications where even light-distribution is required like workspaces, healthcare facilities, educational and retail locations.

**ECOSTRIP** delivers sufficient lighting without all the maintenance hassles related to fluorescent tubes and ballasts. Installation is made simple with a built-in driver, magnets for retrofit applications or clips for simple ceiling mountings. Seamless connections also allow for long runs up to (58.52') 16 bars maximum for surface mount linear.
