

# OUR MISSION STATEMENT

Our goal is to provide the highest quality and most diverse line of LED products in the United States today. From our retrofit lamps to Magnilumen products and customer specific solutions, we are able to design and produce unlimited LED products to meet any project requirement or lighting designer's concepts. We deliver value, differentiation, and product and service improvement each and every day.

Customer satisfaction is our primary goal and our investment in research, product development and production are necessary to help satisfy our customers with their lighting design needs. We do not consider our customers to be just customers, we consider them to be FANS of ZLEDLighting. We understand that our FANS can buy LED lighting products from a variety of sources, so we concentrate not only on just the high-quality products themselves, but to be the best customer service orientated LED company in the industry. We hope that you will give us the chance to show you how we can turn you from just a customer into a FAN of ZLEDLighting.
